-----  
<sup>1</sup> Only one circellus has been placed has been placed on the phrase לֶחֶם לֹא אָכַל, but since this phrase occurs more than twice (Deut 9:9; 9:18; 29:5), another circellus is necessary to include the three-word phrase לֶחֶם לֹא אָכַל which makes the unique doublet with Exod 34:28. The catchwords given here מֹשֶׁה וְעִזְרָא do not refer to any specific verse rather to the main character in the verses cited: Moses in Exod 34:28 and Ezra in this verse.
